

December 17, 2007

Dear Parent,

As the parent of a high school sophomore student, you are cordially invited to a **candle light dinner** at Danville Area Community College. All parents of sophomore students are invited to attend this year's *Careers, Candle Light, and College* event. To accommodate more parents and various schedules, the event will be held from 6:00-8:00 p.m. on two different evenings in January . . . Tuesday, January 15, and Thursday, January 24. You pick the date that best fits your schedule!

Research indicates parents have a great impact on their child's career decision. Are you prepared to facilitate this process with your child? Do you know what FREE resources are available? Are you aware of career opportunities right here in Vermilion County? What is a non-traditional career path? What programs are in place now that could impact your child's future?

Looking for the answers to these questions? Be our guest at this year's *Careers, Candle Light, and College* event. Remember seating is limited, so please respond promptly!

Please select one dinner to attend, and indicate the number attending on the form. No children please. Return your registration in the self-addressed, stamped envelope or fax to (217) 431-0751. Once we have received your registration, we will mail your dinner ticket/s and a campus map to you in the mail.

What could be better than a **FREE candle light dinner** in the middle of January! We hope you will join us! High school guidance counselors are also invited to the event.

Sincerely,

Nancy A. Boesdorfer
Director, Career & Employment Services
