

April 30, 2008

Dear Sophomore Parent,

In January, you attended a *Careers, Candle Light, and College* event held at Danville Area Community College. Thank you so much for attending. The weather is much more agreeable now than it was in January!

Our goal for that evening was to share information about 1) the career planning process, 2) non-traditional and traditional careers and opportunities available right here in Vermilion County and across the nation, and 3) about programs that are currently in place locally that can impact your child's future. We hope that you were able to glean something about career opportunities from the evening.

If you recall, we had you complete a Pre-Assessment in January asking you about career discussions with your child. Since this event was funded with grants from the Illinois Community College Board and the Illinois State Board of Education, one of the requirements is that we do a Post-Assessment, also. I hope that you will take just a few minutes to complete the enclosed brief assessment and **return it to me in the enclosed, self-addressed envelope by Friday, May 9, 2008**. I appreciate your quick response!

It is our hope to be able to offer this program again next year. We feel it is a valuable resource for parents. As a high school parent, if you have any suggestions on how we can reach more parents or improve the program, please share that with us on the assessment. We are always looking for ways to improve.

Thank you very much for taking the time to complete the Post-Assessment. If I can be of any further assistance to you, please feel free to contact me.

Sincerely,

Nancy A. Boesdorfer
